

Weare Heritage Commission
MINUTES
October 28, 2009

In attendance: Chairperson George Malette, Secretary Meg Malette, Heleen Kurk, and Pat Karpen.

A motion was made by Pat and seconded by George to approve the September minutes. All were in favor.

A budget was discussed to be submitted to the town. Heleen will fill out a form for the budget and submit it to Naomi Bolton. Heleen made a motion to accept the budget of \$500; it was seconded by Pat. All were in favor.

George called Nadine Peterson of NHDHR. There is no money for a town wide survey. Preservation development grants and PSNH grants were discussed earlier (last summer). George said NHDHR is looking into getting grant money for the survey. NHDHR said that they will know about this at the beginning of 2010. We will probably have to follow up with NHDHR about grant money for the survey.

George said that, when a survey is done, the commission will prioritize the survey with regard to importance. Over time the commission will probably add to the survey.

In order to raise money for the commission, a discussion took place about asking for a low percentage of the current use funds. George will go before the selectmen and propose a 4 percent of the current use funds.

Respectfully submitted,

Meg Malette
